Senior Field Trip February 15, 2022

A field trip for Summit View Seniors!
There's no better way than to experience a

new campus firsthand.

Students will visit Cascadia Tech Academy (CTA), Clark College and WSU Vancouver during an all-day field trip. They will compare and contrast the three different educational institutions and pick

which one they like the most. Visiting a school really brings the next step into focus; their education, the atmosphere, and a feeling of familiarity.

- ◆ Have little or no experience in the construction trade
- ◆ Experience barriers to employment
- ◆ Need to improve their math skills
- ◆ Need assistance obtaining supplies or equipment
