Please vote by November 2, 2021

High School & Beyond

What is the High School and Beyond Plan?

The High School and Beyond Plan (HSBP) is a state mandated requirement that all seniors in the state of Washington must complete in order to graduate. Each student must have a HSBP to guide students' high school experience and prepare the student for post-secondary education or training and career. Students start their plan in seventh or eighth grade and then continue to revise them throughout high school to accommodate changing interest or educational career goals.

FUTURE

What is the purpose of the High School and Beyond Plan?

The HSBP may provide students with the opportunity to explore their own skills and interests and discover potential career and educational options. The personalized plan helps to connect career interest with courses and courses with career pathways on college majors. The plan helps students identify the steps needed to reach post-secondary goals. Students should be encouraged to take ownership over their high school experience and choose coursework and activities that are relevant to their goals. The HSBP also provides a means of tracking requirements for graduation from high schools and entry into post-secondary programs and careers.

Who, What, Where and When?

Barbara Ferguson will work with all students through an already created google classroom. **ALL SENIORS INCLUDING** Running Start and Cascadia Technical Academy students will work with Barbara Ferguson to complete the plan before they can graduate.

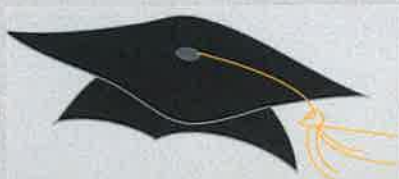

Class of Twenty-Two

2022

So far...

High School Graduate: Madison Sarkinen

Open Doors Graduate: Logan Gomez

Congratulations!

Seniors who have completed High School & Beyond...

Elora Hosman	Jade Condon
